

CONSENT

to the Processing of Personal Data

By registering an account in the personal account section on the website hostlab.kz, I hereby give my explicit consent to Hostlab LLP (represented by the General Director – D.V. Pishchik, Business Identification Number 250640033068) to collect, process, store, and use my personal data in accordance with applicable legislation and the Company's Privacy Policy.

The personal data that may be collected and processed includes:

- full name;
- email address and telephone number;
- identity document details;
- place of residence or place of stay information;
- payment and billing details.

The purposes of providing personal data include, but are not limited to, registration on the website hostlab.kz, obtaining access to the Personal Account within the Hostlab LLP system, as well as the following purposes:

- identification and verification of the Client;
- provision and maintenance of services provided by the Company;
- service quality monitoring and improvement;
- provision of customer and technical support;
- processing of payments and billing operations.

This consent remains valid until the purposes of personal data processing are achieved or until the consent is withdrawn by the data subject in accordance with applicable law.

The Company does not have the right to transfer the above-mentioned personal data to third parties and does not have the right to cross-border transfer of personal data during their processing.

Personal data collected by Hostlab LLP will not be made publicly available in publicly accessible personal data sources.

This consent may be withdrawn at any time by submitting a written request to the registered legal address of Hostlab LLP, in accordance with the applicable legal requirements.
